| Willie Eagleton, Warden, |) |) |
| R | espondent.) |)) |

Petitioner Marcus A. Robinson ("Petitioner"), a state inmate proceeding pro se, filed this habeas relief action pursuant to 28 U.S.C. § 2254. (ECF No. 1). The matter is before the court for review of the Report and Recommendation of United States Magistrate Judge Bristow Marchant made in accordance with 28 U.S.C. § 636(b)(1)(B) and Local Civil Rule 73.02(B)(2)(c) D.S.C.

On August 13, 2014, Magistrate Judge Marchant issued a Report and Recommendation recommending that the court dismiss the petition without prejudice and service of process. (ECF No. 9.) The Magistrate Judge advised Plaintiff of the procedures and requirements for filing objections to the Report and Recommendation and the serious consequences if he failed to do so. (ECF No. 9 at 7.) Plaintiff has filed no objections and the time for doing so expired on September 2, 2014.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with the court. *See Mathews v. Weber*, 423 U.S. 261, 96 S.Ct. 549, 46 L.Ed.2d 483 (1976). The court is charged with making a *de novo* determination of any portion of the Report and Recommendation of the Magistrate Judge to which a specific

9:14-cv-02892-BHH Date Filed 09/19/14 Entry Number 12 Page 2 of 2

objection is made. The court may accept, reject, or modify, in whole or in part, the

recommendation made by the Magistrate Judge or recommit the matter to the Magistrate

Judge with instructions. See 28 U.S.C. § 636(b). The court reviews the Report and

Recommendation only for clear error in the absence of an objection. See Diamond v.

Colonial Life & Accident Ins. Co., 416 F.3d 310, 315 (4th Cir. 2005) (stating that "in the

absence of a timely filed objection, a district court need not conduct a de novo review, but

instead must only satisfy itself that there is no clear error on the face of the record in order

to accept the recommendation.") (citation omitted).

After a careful review of the record, the applicable law, and the Report and

Recommendation of the Magistrate Judge, the court finds no clear error. Accordingly, the

court adopts and incorporates the Report and Recommendation (ECF No. 9) by reference

into this order. It is therefore ORDERED that this action is DISMISSED without prejudice

and without requiring respondent to file a return.

IT IS SO ORDERED.

<u>/s/Bruce Howe Hendricks</u> United States District Judge
